Department of Biotechnology Celebrates the Journey of Indian Women in science

Department of Biotechnology, Ministry of Science & Technology, Government of India in Partnership with India International Centre, New Delhi, organized a Photo Exhibition entitled "**Celebrating Indian Women in Science: An Incredible Journey**". The aim was to remember, acknowledge and showcase the stories of great Indian women scientists on International women's day, who have contributed to the development of science through their outstanding work.

This exhibition was inaugurated by the Secretary, DBT and President, IIC on March 7th at the India International Centre. The Exhibition was till 15th March, 2019. A panel discussion on the same topic was held at the India International Centre on the same day. 40 women scientists from various fields of science have been featured in the posters. A booklet of the same was also released. The panel discussion and inauguration was well attended by women scientists from universities, institutes, IIT Delhi, and Principals of Delhi colleges.
