

NATIONAL INSTITUTE OF IMMUNOLOGY
(An Autonomous Research Institute of the Department of Biotechnology)
Aruna Asaf Ali Marg,
New Delhi - 110067

National Institute of Immunology (NII), an autonomous institute under the Department of Biotechnology (DBT), Ministry of Science and Technology, Government of India, has the mandate of carrying out high quality basic and applied research. The Institute is committed to advance research addressing the basic mechanisms involved in body's defenses, host-pathogen interactions and related areas. The Institute follows a two-pronged strategy of linking excellence in rigorous fundamental research with pragmatic pursuit of emerging application possibilities in entrepreneurial partnerships. The current research interests at the Institute coalesce into four broad areas: Gene Regulation, Immunity & Infection, Molecular Design and Reproduction & Development. Details of the Institute are available at www.nii.res.in.

2. Applications are invited from eminent scientists (Indian Citizens) having proven scientific record in areas such as immunology/cell biology/molecular biology/disease biology, and possessing excellent leadership ability, for the post of **Director, NII, New Delhi on deputation (including short term contract)**.
