For detailed advertisement and other terms and conditions, please see our website nccs.res.in/index.php/careers/staff (Under staff in career tab). The application along with all the required documents as per Advertisement should reach to the Director, NCCS, Pune, on or before 30.07.2020.

Director
National Centre for Cell Science  
(an autonomous research institute)  
NCCS Complex, Savitribai Phule Pune University Campus, Ganeshkhind Road  
Pune – 411007, Maharashtra State, India  

Applications are invited for Professor of Eminence (POE)  

NCCS has been performing cutting-edge research in cell biology, providing valuable services as a national cell repository, and supporting human resource development through various teaching and training programmes. The institute is looking for distinguished Scientists as Professors of Eminence to mentor its thematic research areas of Virology and provision for exploring translational application of basic research.

The National Centre for Cell Science invites applications from superannuated scientists / or those scientists who are due for superannuation in next six months, and can provide vision and direction to the research programmes of the institute on contractual basis. The tenure of contract shall initially be for 03 years which shall be reviewed on annual basis. The tenure may further be extended by 02 more years on a year to year basis, subject to assessment by a Review Committee. In case of premature cessation of tenure by either party (POE or NCCS), a notice of one month would be required. The conditions such as eligibility, remuneration etc. will be as under:

1. Eligibility:
   i. Scientists with Indian citizenship and having accomplishment in desired area of research with exceptional capabilities to motivate research activities in cross disciplinary areas.
   ii. At least 20 years of independent research experience with extensive experience in mentoring PhD students in the area of Molecular Virology and Molecular Immunology. Proven expertise in host-virus interactions and anti-viral drug discovery.
   iii. Should have led the R&D/Academic programme of the institution as Director/Dean providing direction and support to the programmes of the organisation.
   iv. Should have experience of professional leadership in a Govt. R&D institution / Mission / multi institutional research programme and have worked in an independent position in India only.
   v. He/she should have an outstanding track record in research as evidenced by publications with emphasis on the last 10 years of research productivity.
   vi. He / she should have proven ability to contribute towards prioritizing basic and translational research.
   vii. Age not more than 62 years at the time of being considered for the position.

2. Remuneration:
   The position being purely contractual, they would be paid lump sum emoluments (consolidated amount without any scale of pay band or grade pay etc.). The guiding principle of the lump sum / consolidated amount would be approximately last pay drawn minus pension subject to a maximum of Rs. 2,00,000/-.  

3. Duties and responsibilities:
   i. To assist the Institute through mentoring and guidance to implement structured career development programmes for researchers in line with the mandate of the institute.
ii. To strengthen the domain of Virology research with special emphasis on translational research.

iii. To provide timely advice to hone the organizational research capabilities, Innovation and Knowledge application and create sustainable and efficient industry linkages.

iv. To contribute towards institute's academic activities by way of teaching and other relevant assignments as per the institutional requirement.

Eligible and interested scientists may submit their applications by Post, with curriculum vitae containing details of qualifications, positions held, professional experience/distinctions, list of notable publications/achievements, proposed research plan (maximum 2 pages) and names and contact information of three potential referees, latest by 30.07.2020 to the Director, NCCS Complex, Savitribai Phule Pune University Campus, Ganeshkhind Road, Pune - 411007, Maharashtra State, India and email it to director@nccs.res.in.

The Institute reserves the right to cancel the advertisement at any time.

**General Terms and Conditions:**

1. Applicants who are currently working in any Government (Central / State), PSU, autonomous body or any other Government organization, shall get his/her application forwarded through his/her employer. An advance copy of the application may be sent in case of foreseen delays in forwarding the application through proper channel.

2. All educational, professional and technical qualification should be from a recognised Board/University.

3. The age limit, qualification, experience and other requirements may be relaxed at the discretion of the competent authority, in case of candidates who are otherwise suitable.

4. Incomplete applications will stand summarily rejected.

5. Canvassing in any form will be a disqualification.
