

INSTITUTE FOR STEM CELL SCIENCE AND REGENERATIVE MEDICINE
(an Autonomous Institute of the Department of Biotechnology)
GKVK Campus, Bellary Road,
Bangalore-560065

ADVERTISEMENT NO. inStem/02/2020

Institute for Stem Cell Science and Regenerative Medicine is an autonomous Research Institute of the Department of Biotechnology, Ministry of Science and Technology, Government of India.

The Institute invites Online Applications from eligible and interested candidates for filling up the following vacancy under **Scientific** Cadre on **Direct Recruitment** failing which by **Deputation/Absorption**.

IMPORTANT NOTE: Only online applications will be accepted. Applications received through any other mode shall stand rejected automatically.

Sl. No.	Post Code	Name of the Post	Level in Pay Matrix (as per 7th CPC)	No. of Post	Category
1	9/20	Fellow-E (Scientist-D)-Head, Stem Cell Facility	Level-12	1	UR

Note: The Institute reserves the right to withdraw/cancel the advertisement at any stage of recruitment process and may keep any of the advertised vacancy unfilled.

ABOUT THE POST:

The position involves management and coordinating operations of the Stem Cell Facility, which is a core facility for scientists at inStem and the National Centre for Biological Science (NCBS), which share a campus and research facilities <https://www.instem.res.in/facilities/research>. The Stem Cell Facility comprises state of the art laboratories situated in two major research complexes on campus and provides managed space and training to users from within the campus (and outside), to generate and perform experiments on human iPSCs, ESCs etc. Responsibilities include (but are not limited to): coordinating activities and maintenance of the stem cell laboratories, maintenance and distribution of core human ESC/iPSC lines, providing training in the generation and use of iPSCs, ESC and iPSC-based models of disorders, including genome-editing to users. Organization of training workshops will be a core responsibility.

An integral component of this position is the continual updating of standard operating procedures that govern the work carried out in the stem cell facility and ensuring that all users strictly adhere to these policies. Additionally, the incumbent of this position will ensure that the facility meets (if not exceeds) the statutory requirements regulating work with human and mouse stem cells. This position requires that basic reagents and consumables that are provided to users as part of the facility charges are adequately stocked and monitored.

COMPENSATION / PAY DETAILS:

The post carries the pay level-12 in the pay structure of 7th CPC Pay Matrix and other benefits which include Dearness Allowance, House Rent Allowance (in lieu of accommodation), Transport Allowance, Children Education Allowance, Leave Travel Concession, Medical Facilities as per Govt. of India Rules. The selected candidate will be covered under National Pension System (NPS).
