

## **Applications / Nominations are invited for the post of Executive Director Translational Health Science and Technology Institute**

- 1 The Department of Biotechnology (DBT), Ministry of Science & Technology (Government of India) has established the Translational Health Science and Technology Institute (THSTI), an autonomous institution, as a part of the interdisciplinary Biotech Science Cluster at Faridabad in the National Capital Region. The Institute is a dynamic, interactive organization with a mission to conduct innovative translational research and to develop research collaborations across disciplines and professions to translate concepts into tangible products to improve human health.

THSTI has built several inter-institutional collaborations and connectivity with industry supported by well-trained teams of research and laboratory staff. THSTI has established various centres namely (a) Centre for Maternal and Child Health, (b) Centre for Virology, Therapeutics and Vaccines (c) Centre for Tuberculosis Research (d) Centre for Human Microbiome research, (e) Centre for Bacterial Diseases and Anti-Microbial Resistance Research (f) Centre for Immunobiology and Immunotherapy (g) Centre for Drug Design and Discovery (h) Clinical Development Services Agency (i) Computational and Mathematical Biology Centre (j) Centre for Bio-design . These centres are strengthened by many core facilities viz. Bioassay Laboratory, Biorepository, Biosafety Level -3 Lab, Data Management Centre, Immunology Core laboratory, Multi-OMICS facility, Experimental Animal Facility, Vaccine design and Development facility etc that serve as huge resources for the research programmes of THSTI and also the National Capital Region Biotech Science Cluster and other academic and industrial partners.
