ENGAGEMENT OF CONSULTANTS IN INDIA INTERNATIONAL SCIENCE
FESTIVAL-2018 TO BE HELD AT LUCKNOW

India is facing various challenges and opportunities. Some of these important challenges are in the key sectors of clean water & energy, food, environment, climate, security, and healthcare. It is important to translate the scientific knowledge into innovations through start-ups and industry so as to facilitate India to achieve inclusive and sustainable growth in coming decades. Emphasizing the role of technologies and innovation, India has declared 2010-20 as “Decade of Innovation”. In this context Ministry of Science & Technology, Govt. of India and Vijnana Bharti, have been jointly organizing the India International Science Festival (IISF) to install scientific temper among masses and showcasing Indian contribution in the field of S&T over the years since 2015, 2016 and 2017 in IIT Delhi, IARI-Pusa, NIOT Chennai, respectively which were grand success. Continuing on the same lines, the 4th series of IISF will be organized from 5-8 October 2018, at Lucknow, Uttar Pradesh.

National Institute of Immunology (NII) is an autonomous research Institute under the administrative control of Department of Biotechnology, Ministry of Science and Technology, Government of India, has been designated as the nodal Institute for coordinating the processes and people for successful organisation of this event.

This shall require dedicated services of qualified manpower that is well versed in liaisoning with different government agencies and other stakeholders besides drafting the entire process in a hassle-free manner.

Following this, NII has invited resumes for selecting the suitable candidate. The services of 8 consultants (4 Senior and 4 junior) are sought as per details below:

One Senior Consultant each @ Rs.55,000/- pm consolidated for following specific activities:

1. Coordinating with Industry and Academia and organizing their scientific meet.
2. Coordinating with different science-based start-ups and incubation centers and organizing their scientific meet
3. Coordinating and organizing National Social Organizations & Institutions Meet
4. Coordinating with different institutes / Colleges in North East and organizing North east students' conclave

One Junior Consultant each @ Rs.45,000/- pm consolidated for following specific activities:

1. Organizing School Science Teachers' Congress
2. Organizing Science Literature Festival
3. Organizing scientific programs for Women scientists

4. Organizing scientific programs for school students

The selected candidate shall be appointed as per the institutional norms, for this program to liaison with various agencies & authorities in and around Lucknow and may be expected to work wherever their services are required. Their duties are not exclusively for the purpose defined above as they may be required to work in team spirit with rest of the organizers as per the demands of the time and circumstances.

The job requirement and other details are as under:

(i)	Method of Recruitment	On Contract Basis. Initially the candidate would be recruited for a period of 9 months extendable for further period of 2-3 months based on the performance and requirements in the programme for the incumbent.
(ii)	Age Limit (as on 31/03/2018)	Upto 55 years for Senior category and upto 50 years for Junior category.
(iii)	Selection procedure	A panel of suitable candidates will be prepared on the basis of their resume, meritorious background/ and relevance of the work handled as per Terms and Conditions
(iv)	Terms and Conditions	The selected candidates will not have any right for appointment merely on the ground that their names have been included in the panel. Further, the selected candidates will not have any right for regular appointment against any post in the Government on the basis of the contractual employment, if rendered by them.
(v)	Educational Qualifications and experience	<p>Essential:</p> <ul style="list-style-type: none">• Graduate in any discipline• Minimum of five years' experience in liasoning with government agencies, educational institutions; drafting of legal documents, MOAs; conducting training programs in following areas: <p>Desirable:</p> <p>The incumbent should be well versed in dealing with government bodies, preparing strategic documents for developing major programs for related stakeholders. Minimum of twoyears' experience in liasoning with government agencies, educational institutions and other related stakeholders; drafting of legal documents, MOAs; conducting training programs.</p>

Interested candidates may send the soft copy of their application with resume at the email address of Director, National Institute of Immunology, Aruna Asaf Ali Marg, New Delhi (email id amulya@nii.ac.in) providing their full details including the following:

- Full name, DOB, Father's Name along with permanent address and address for communication, Aadhar Number including mobile number and email id.
- Educational qualifications from matriculation onwards with the name of board/university form where graduated/post graduated, percentage of marks with class/division/grade etc.
- Position desired and relevant Experience for the same.
- Self-attested copies in support of the above

Candidates are advised not to send any hard copy of application or documents in the originals along with the application.

Last date of posting the applications will be 14 days from the date of publication of this advertisement on the NII website.

Director,
National Institute of Immunology.
