## Call for Proposals on “Genome Editing of Crops for Enhanced Attributes”

### :: Important Information ::

- Investigators intending to submit Lols against this call shall focus only on individualistic, thorough and realistic applications at this moment
- There is no scope for inclusion of collaborator(s) at this stage of the call. Therefore, please avoid prioritizing or spending time on networking at this juncture
- Lols with information of more than one investigator will be summarily rejected
- All the questions of Lol are mandatory and must be provided with a diligent response
