### **Rolling Advertisement RECRUITMENT FOR FACULTY POSITIONS**

Regional Centre for Biotechnology (RCB) is an Institution of national importance established through an Act of Indian Parliament by the Department of Biotechnology, Govt. of India under the auspices of UNESCO. The primary focus of RCB is to provide world class education, training and conduct innovation research at the interface of multiple disciplines to create high quality human resource in disciplinary and interdisciplinary areas of biotechnology. To this end, the Centre is offering the master's and doctoral degree programs in biotechnology, bioinformatics, and biostatistics, while other degree/diploma programs in niche areas of biotechnology are under development.

**The Centre invites applications from suitably qualified, dynamic, and result-oriented scientists with flair for teaching, to fill up the various faculty positions on direct recruitment/ deputation or contract basis. Further details are available on RCB website: <http://www.rcb.res.in/>, or <http://www.rcb.ac.in/>. There is no last date and the application can be made throughout the year till the positions are filled up.**
