

MEMO TO GUV OVER alleged intimidation of Union Minister

EXPRESS NEWS SERVICE @ Bhubaneswar

THE BJP on Wednesday drew the attention of Governor Ganeshi Lal to the alleged criminal intimidation by the BJD leaders and misbehaviour by government officials to tribal leaders of the saffron party.

A delegation of the BJP led by State unit president Samir Mohanty met the Governor and submitted a memorandum requesting him to direct the State government to submit audited accounts of various Centrally-funded welfare projects under implementation in the State.

Accusing the BJD government of systematically depriving the scheduled tribes of all government schemes, plans and programmes, the memorandum said that whenever BJP representatives belonging to the tribal communities raise issues concerning irregularities in the tribal areas, the State machinery does not hesitate to misbehave even with Central ministers.

The attack on Keonjhar MLA Mohan Majhi was another attempt to silence him as he was raising issues of corruption and misutilisation of DMF and OMBADC funds

Citing a recent incident in which Union Minister of State for Tribal Affairs Bisweswar Tudu was ill-treated during his stay at Baripada circuit house, the BJP delegation said that the Union Minister did not get desired support from the

State government during his official tours to different parts of the State.

"In his review meetings at various places junior officials were sent who were neither having necessary information nor the courtesy towards the Minister. When the Minister objected to such indifferent behaviour, government officials protested against Tudu by wearing black badges. This is nothing but a deliberate attempt to show disrespect to the Central Minister," the memorandum said.

They further said that the recent bomb attack on Keonjhar MLA and Opposition Chief Whip in the Assembly Mohan Majhi was another attempt to silence him as he was raising issues of corruption and misutilisation of DMF and OMBADC funds in his district.
